Setup Recurring Payment Thank you for submitting your payment. This agency offers the convenience of automated recurring payments through LexisNexis Payment Solutions. To setup your recurring payment, please click here: <a href="#">Setup Recurring Payment</a>	

You will be directed to LexisNexis for account setup. Recurring payments may setup a monthly payment on the 8<sup>th</sup> day of each billing cycle.

### Feature Highlights:

- A monthly invoice will continue to be sent to you regarding your CourtNet subscription.
- Payments may continue to be made by logging directly into your CourtNet account.
- Users setting up the Recurring payment process should be mindful not to log directly into CourtNet upon receiving their monthly invoice to make a manual payment. Doing so will result in an overpayment.
- Overpayments will not be refunded but will be credited to your next monthly balance.
- Recurring payment users will receive payment reminders from LexisNexis prior to payment each month.
- Recurring payment accounts may be cancelled at any time and you may resume making payments directly in your CourtNet account.
- Editing or canceling a scheduled payment and/or a recurring payment account must be done through your LexisNexis account.
